“Cinthy is fantastic!! I purchased the “Wrap Up Service Package” where coordinating services are said to start two months prior to the wedding. Although I only paid for two months of services, Cinthy gave consistent support and guidance two years prior to our wedding! She met with my fiancé and I early on to cover some basics, then continued a running Google doc to ask and answer questions. This was so helpful for my fiancé and I to be in an ongoing conversation with her. She really kept us on track, in terms of timelines and details. Planning (and replanning) a wedding during COVID was not easy. I am so thankful to Cinthy for her calm presence, problem solving strategies, and encouragement through every hurdle. I had vendors cancel, a change of venue, wedding party members drop out, etc. Cinthy kept me calm and helped me keep excitement for our wedding. When COVID restrictions changed our wedding vision, Cinthy helped me work with vendors who were being difficult, she reviewed all of my contracts, and she helped brainstorm solutions. Cinthy is very well-connected within the wedding industry and was quick to reach out to various contacts to help me replace vendors. She was very supportive and flexible during all of the changes. She also let me borrow various decor pieces, which was a nice financial relief on my end. I am so happy that I booked Cinthy early on and I highly recommend her services! Thank you!!” - Jessica G (2020)

“A Touch of Grace has been amazing in helping me and my fiancé plan our wedding. I was never one of those girls who began planning their wedding in their head since being little, so I really had no idea how many decisions needed to be made and planning that needed to be done. They are very organized and creative, which I love. My planner was always one step ahead of me when it came to what needed to be done next and making sure that everything went smoothly. Every time we met she had an agenda and gave me a list of what was left to do. She went out of her way to do whatever she could to make things easier for me. She really went up and beyond any of my expectations. I highly recommend A Touch of Grace.” - Rebecca R (2018)

“5 stars!! I was torn between choosing a wedding planner and after I found a touch of grace my decision was made! When Malia gave us a call on that first day she dazzled us and continued to be an absolute pleasure to work with! She went above and beyond to make me feel comfortable and she really helped me to organize all of my different style and design ideas. Her attention to detail was invaluable and really made our wedding experience magical.” - Sam A (2020)
